

We're at it again!

We are Forest Row community Pre-School. We are a registered charity and currently have 50 children who attend. As you may have seen in the local press we have recently gained sole usage of the Hambro Hall (next to the community centre). We are hoping to make some changes to the hall to make it more accessible and child-friendly.

Some of the pre-school staff (Mary and Sandra), will be walking Hadrian's Wall this summer to raise funds for the pre-school. The mammoth event is 84 miles and it will take 6 days to cover this ground which has been trodden by many famous people in a bid to cross England. They will be sleeping rough and eating dodgy food throughout! They have started their bid to get fit for the event (and loose a few Christmas pounds in the process!)

As you may be aware we are applying for grants to enable us to make the pre-school more inclusive and to change the facilities we have so that they are more child-friendly – incorporating a sensory room, child sized and disabled toilets and a 'child-friendly' kitchen area. As part of the grant process we need to show that we can raise some funds to contribute towards the project.

So, to get us started if you know anyone who has a business and would like to be associated with this event please let us know and for a donation we will include their names on all publicity, press releases, web site etc. You may even be able to put in a pledge to choose what Mary and Sandra will wear!

To discuss what your donation will buy or if you would like further information please email forestrowplaygroup@hotmail.co.uk or call playgroup on 01342 825625 and leave a message for Jacquie.

All donations will be gratefully received.
