

FOREST ROW COMMUNITY PRE-SCHOOL POLICY 15 POLICY FOR CHILDREN OF STAFF

1) Free Sessions

Members of staff will **not** be given free sessions for their children at pre-school.

It would be unfair to use this method of remuneration as it can only benefit some members of staff.

2) Attendance at Pre-school

It is not expected that children of Pre-school staff will attend a Pre-school session. If necessary (eg. in the event of sickness or school holidays), the member of staff must inform the Supervisor as early as possible so that the Supervisor can arrange cover, (eg. from the bank staff), or notify the Supervisor of a 'swap' in shifts.
